

State Accountability District-Level Interventions

Please Note:

- Performance-Based Monitoring intervention requirements will be released in October.
- This reflects requirements in Texas Education Code (TEC) §39.102 and/or §39.109.

¹ Request access to Intervention, Stage, and Activity Manager (ISAM) via TEASE/TEAL.

* While TEC §11.252 requires all districts to develop a comprehensive district improvement plan, the targeted improvement plan required by TEC §39.102(a)(3) is specifically designed to address areas of low performance identified by the state accountability system.
